Ken Hall understands that successful Facilities Management is based on coordinating a team of trusted trades who will be there when you need them most.

With this thinking in mind, we have worked with FM's in South Australia for over 35 years providing programmed maintenance and emergency services to many of Adelaide's leading organisations.

We set the standard in Facilities Management by providing competitive rates and unmatched service across our core areas of expertise. No job is too big or small for our team of specialist:

- Plumbers
- Gasfitters
- Roofers
- Electricians
- Tilers
- Renovators

Our success is driven by a dedicated team of over 90 fully employed staff and a fleet of 75 vehicles on the road servicing all areas of South Australia 24 hours a day, 365 days a year.

Our client base includes hospitals, multi-storey buildings, offices, retirement villages, strata groups, schools, shopping centres, hotels and more.

Tap into the experience and expertise of our local team with a proven track record.
